Mildred Swafford

After 25 years of unselfish giving and listening to others' problems, Mrs. Mildred Swafford is retiring. What better tribute to leave behind than the knowledge that you are well-loved and well-remembered by at least two generations of Austin students and faculty members!

Mrs. Swafford remarked that she "will be leaving a great deal of her life behind at SFA" and that she has "mixed emotions" about leaving Austin.

Mrs. Swafford came to SFA in 1952. Before that, she was a plant nurse at Texaco.

Originally from Alabama, she received her training at Annister Memorial Hospital and also at Charity Hospital in New Orleans. During World War II, she spent a year at an army bomber plant because "they thought they were going to have to draft nurses."

With her newly-acquired leisure time, Mrs. Swafford plans to pursue her hobby — collecting Avon bottles — travel with her husband in their "Merry Miler" bus, and "spoil" her eight grandchildren.

Juliee Dorman

Ms. Juliee Dorman, a 1972 graduate of Stephen F. Austin, began what was to be an enduring relationship with SFA at age 5.

Undoubtedly, her cheerleader experiences in high school began with this very early premiere as one of the varsity cheerleader's mascots. Her involvement with Austin continues today, for Ms. Dorman is now SFA's Activities Director.

Ms. Dorman attended both junior and senior high school at Austin and actively participated in Austinaires and cheerleading. During her junior year of high school, she was chosen Girls' State Representative; and, during her senior year, she was selected Head Cheerleader and Football Sweetheart.

Ms. Dorman is a 1976 graduate of Lamar University, where she received her BBA degree in Office Administration.

Her hobbies are reading, bowling — and working around the clock on student council projects and school events.

Man. Allows (Home Ec. English) "A student should have enough maturity to realize learning comes from within."

What Do You Expect

(noma Anderson (English) | 1 expect my students to try try even if they fail "

Mary Andres (P.E. Health) "I want my students to learn to get along with others so they can find a life of happiness."

Barbara Barland (H E.C E.) "I expect my students to learn all that they are capable of learning."

Dennis Blackman (Industrial Arts)

From Your Students?

Marilyn Blount (PFP, Personalized Education Program) "I expect my students to seriously prepare themselves with the basic skills needed for everyday living

Eugene Britain (High School Band) "I expect for students in band or other classes to have the ability to stand on their own two feet! To learn to get along with others who do not share their views."

Debra Brown (PEP, Personalized Education Program) "I expect courtesy and respect from all my students"

Weslyn Butler (Librarian) "I expect all students to put forth their very best effort even when the going gets rough."

Harry Carter (Biology, Physical Science, Department Head) "I expect a broad basic background so they will be able to succeed in different fields

Connie Cochron (History Athletics) Fry in class fry to do their work. Show interest in what they're doing."

Sieve Coulier (Athleties) "To act like young men and women and not elementary students."

Bevil Deckert (Earth Science, Athletics) "I expect a student to be courteous, respectful, and maintain a good attitude while in my class."

Robert Edwards (History, Athletics) "I want my students to be enthusiastic about learning and give their best effort."

Robert Finch (English, Music) "To learn how to read and write"

Clyde Garrett (Head Trainer)

Bob Gough (Athletics and Math) "I expect my students to do their very best."

Greg Green (Athletics, Health) "The ideal student should reflect the firm discipline, good manners, respect, and proper attitude that they were taught at home. These traits usually relate to the students' desire to learn and strive for excellence in academic areas as well as extracurricular pursuit. The ideal student finds direction in life and takes the positive steps needed to insure success."

Joe Green (Athletics History) "I expect a good honest effort from my students."

Jo Ellen Green (Math) "A student should be honest wellbehaved, and put forth his best effort at all times in everything that he does."

Sherry Hill (Science) 'To put forth their maximum effort and to transfer learning from one situation to another "

Jos Holmes (Teacher A de) "Be obedient support their student body and faculty. Good relationship between student and teacher."

Thomas Houser (Typing) "To learn to organize materials and information; to learn to persevere despite difficulty of the work."

Howard Hutchison (Band) "I hope that they can make the most of their lives."

Ella Jenkins (Reading 1 ah) "That they will learn to read well; to enhance their reading abilities; find more time for pleasurable reading."

Filen Jordahn (Accounting Shorthand) "That each come to class with the desire to learn, a willingness to work toward accomplishing the course adjectives, and an indication of concern for others."

Linda Joseph (PEP) "I expect an honest effort from every student."

Tom Kroutter (History, Government) "I expect each student to be all he or she is capable of being."

Robert Lawson (Art) "Hardwork."

Richard Marler (Athletics Director) "For each one to do their best, to use all of the ability they have. Any one who doesn't use theirs is cheating themselves."

Terry Meyer (PEP, Personalized Education Program) "I expect discipline Reason and logic should be their guide."

Roger Myers (Science) "Cooperation."

James Miller (Athletics, English) "E expect every student to be able to speak and write a sentence without making a mistake. I'd like to think that every student can make a 'yes' or 'no' decision about things that affect their everyday lives."

Walter McClendon (Shop) "To be exposed to the skills required by industry."

Jovee McCov (English) "To try to do all work expected of them"

Gloria Noble (Library Aide) "I expect them to act like young ladies and gentlemen."

Kenneth Parrack (Math) "Stay quiet - pay attention."

Susan Reed (French, English, Drama) "To meet the teacher halfway."

Therese Roberts (English, Journalism) "I look for character wit, and discipline in my students because the standards and requirements of the course are demanding and rigid My junior high students are very special to be because they are still spontaneous."

George Rose (Math) "I expect my students to act in a reasonable manner, to be attentive to class discussions, and to end the course knowing more about math than when they started the year."

Bill Tunnell (Department Director, History) "To be interested in their work and enjoy what they are doing."

Dortha Vaughan (Department Director — English) "I expect students to follow the directions given to the class, to do the assigned work, to ask questions, and to cooperate with classmates."

Mary Wall (Athletics) "To always put forth their best effort."

Both in athletics and the classroom."

Dale Westmoreland (Health, Athletics) "To be quiet and to do the best they can."

Connie Williams (Math Lab.) "I expect a student to be courteous and respectful, be willing to do his work, be a student with will power and have a goal set in life. He should try very hard to accomplish his goal."

Ward Williams (D.E.) "Vocational Distributive Education (DE) is designed to provide the knowledge, skills and attitude needed by 11th and 12th grade students for entry employment in retailing, wholesaking, and service jobs related to marketing and distribution."

Constance Young (Math) "I look for creative ability in my students. I want them to understand the Mathematics concepts so well that they will feel confident in venturing off to develop their own methods of working problems. I expect my students to try and to study."

The Stephen F. Austin Student Council sponsored many activities for our school this year.

Among these activities were.
Campus Clean-Up Day
Homecoming Week Events
Sponge and Pie Throwing Booths
at Halloween Carnival
Movies
Christmas Social for Teachers
Concessions during basketball
season
TWIRP Week Events
Exchange Students

The student council also attended District Conventions in the fall and the spring and the State Convention in April.

They rounded out their year's activities with officer elections.

Exchange students Nancy Deshotel and Chuck Elizondo with student council officers. Kelly Wolf, Todd LeBlanc

To the Advertisers

Without the cooperation of the businesses in this area, we could not have published this yearbook. Through the advertisements in this book, we have gained the strength to put forth this annual. As the advertisers support us, so must we support their businesses.

We, the editors of this section, would like to express our deep appreciation and great thanks to you for helping with the success of the 1978 yearbook

Advertising Section Editors: Tammy Brown Vivian Suire

Acknowledgments

As the old, familiar saying goes, an annual is a memory book.

The 1977-78 Eagle is indeed a book of memories. Yes, even though this year is now behind us, our "memories" of 1977-78 have been preserved within these pages.

Because we, the Editors, are aware of the time, talent, and hard work required to produce a successful yearbook, we would like to recognize those individuals who helped make our task a little easier.

We thank the Austin administration and faculty for supporting our efforts this year. Without your support and interest, we could not have succeeded quite so well.

Special appreciation is extended to the following administrators and faculty members for their assistance during the year: Mrs. Mary Allison, Mrs. Mary Andrus, Mrs. Billie Bolch, Mrs. Debra Brown, Mr. George Byars, Jr., Ms. Juliee Dorman, Mrs. Sherry Hill, Mr. Tom Houser, Mr. Chester Levy, Mrs. Vergie Mae Musselwhite, Mrs. Dortha Dee Vaughan, and Mr. Ward Williams

We also thank the office personnel - Mrs. Jo Ann Comeaux, Mrs. Lynn Crowder, and Mrs. Martha Isaac — for their assistance this past year.

Student editors and staff members deserving special recognition are Robert Blackwell, Tammy Brown, Linda Bourque, Candy LeBlanc, Todd LeBlanc, and Kelly Wolf

Finally, we especially thank Mr. Andy Andrus for his time and efforts on behalf of our 1978 yearbook Mr. Andrus' hard work made such sections as "Favorites" and "Homecoming" possible.

- The Editors
